CK KUYA'S GTNE
NEMISIS

A TRUE JOURNEY.
A POWERFUL MISSION.

In search of CK Kuya's body, I traveled over **1900+ KM** to the **Kendal Green Station USA** where she was last seen.

Along the way, I found her **Nemisis** — a force that wouldn't let me quit.

Well I did quit many times saying this job is way over my head.

But for the mission, the Nemisis wouldn't let me.

A MISSION THAT BENEFITS EVERYONE-CAN!

Participation ✓ Purpose ✓ Prosperity ✓ Peace ✓
Everyone. Everywhere. Every-Can.

ABOUT THE MISSION

CK KUYA and Spirhumaige Global AI are building real opportunities that help more people participate and thrive.

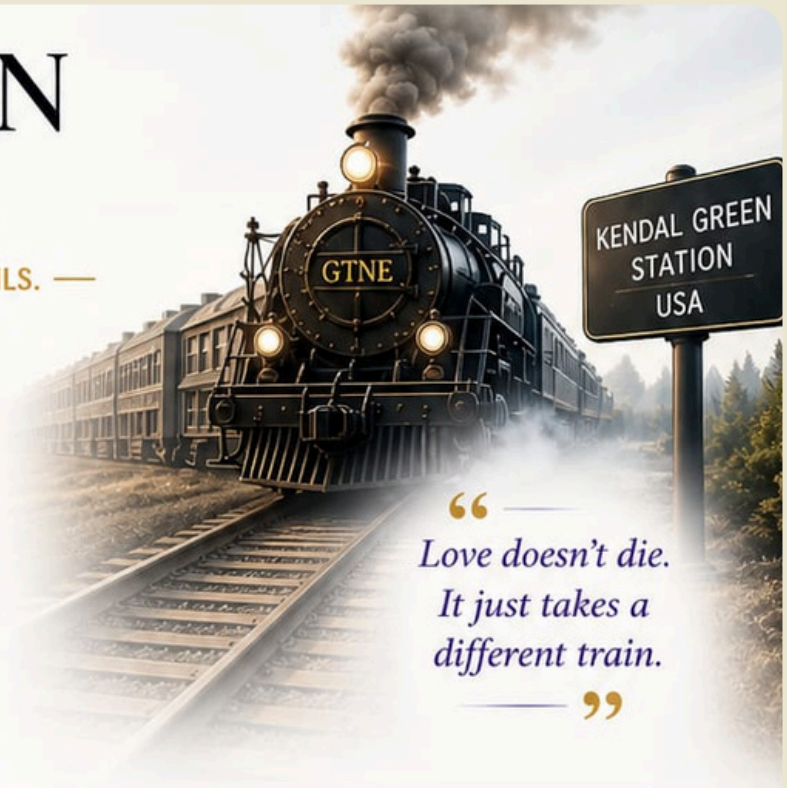

Together, we reduce homelessness, poverty, and crime through access, education, and economic inclusion.

One Mission. One Movement. One Future for Everyone-Can.

GHOST TRAIN NO EXITS

— A TEENAGE LOVE STORY... SLIPPING OFF THE RAILS. —

A fictional story (supernatural, pararormal and spiritual in a ghostly genre). This is a teenage love triangle, a love story and romance by spirits in love. It is a drama and a mild horror story. The main character has found herself as a ghost.

This is book 1, volume 1. It is an introduction to the main characters, to inspire the CK KUYA Writers Club.

> *"Love doesn't die. It just takes a different train."*

GHOST TRAIN NO EXITS—
a teenage love triangle
slipping off the rails!

MICHAEL A. BLACKHALL

AUTHOR • FOUNDER • PRESIDENT
CK KUYA | GTNE

Michael A. Blackhall, a Canadian and proud son of Jamaica, brings a unique voice shaped by culture, creativity, and lived experience.

Through ***Ghost Train No Exits***, he introduces a journey that extends beyond fiction—one that inspires emerging writers, storytellers, and creative minds to explore their own voice.

A JOURNEY BEYOND FICTION

In pursuit of that journey, Michael traveled over **1900+ KM** to **Kendal Green Station, USA**, where CK Kuya was last said to have been seen. What followed was not just research—but a turning point.

THE NEMESIS WOULDN'T LET ME

Spirhumaige Nemesis

Along the way, he encountered what he describes as the Spirhumaige Nemesis not an enemy, but a force that refused to let him walk away.
He admits, he tried. More than once.
But quitting never finalized.

A VISION FOR CREATIVITY & COMMUNITY

Today, that persistence fuels a broader vision—one that connects storytelling with **opportunity, culture, and community.** From Caribbean roots to global reach, this journey continues to inspire creativity, preserve traditions, and open doors for new voices.

A MISSION DESIGNED FOR EVERYONE-CAN!

- ✓ Inspire Writers
- ✓ Empower Communities
- ✓ Preserve Culture
- ✓ Create Opportunities
- ✓ **Everyone. Everywhere. Every-Can.**

HOMELESS SENIORS & DISABLED CAN NOW EARN INCOME THROUGH BAWT INC

The 8th Cardinal Policy

Is the ethical and operational doctrine governing participation in the BAWT Inc. Network, CK KUYA, Spirhumaige Global AI (SGAI), and The Everyone-Can Movement (TECM).

It affirms that while our mission is to help more people participate and thrive, participation is granted only PMC — Per Met Criteria.

1. Core Principle

- Everyone Can Participate — Per Met Criteria.
- The Everyone-Can Movement — Is built on the belief that many capable and ethical individuals have been excluded from meaningful opportunity due to poverty, disability, age, discrimination, lack of access, or life setbacks.
- Our mission is to restore dignity and create structured pathways to participation for those prepared to contribute positively.

2. Inclusion with Accountability

TECM is intentionally inclusive, but inclusion does not eliminate standards. Participation may be denied, suspended, or revoked where conduct presents a material risk to:

- The safety and well-being of self or others.
- The integrity of the organization, venue or accommodating location.
- The reputation of the brand.
- The financial stability of the ecosystem.
- The mission to serve the broader community.

Continue---

Continue--->

3. PMC — Per Met Criteria

PMC means that an applicant, member, partner, employee, volunteer, vendor, sponsor, or participant has satisfied the criteria applicable to the opportunity being offered.

- Identity verification.
- Membership eligibility.
- Payment or account status.
- Background screening where appropriate.
- Professional qualifications.
- Agreement to applicable policies and codes of conduct.
- Demonstrated good faith and ethical behavior.
- Compliance with applicable laws and regulations.

4. Meaning of the 8th Cardinal

The cardinal symbolizes guidance, resilience, direction, and purposeful movement.
The 8th Cardinal represents the balancing principle at the center of the CK KUYA ecosystem:
Compassion Balanced by Criteria.

5. The TECM Standard

TECM welcomes the excluded, the overlooked, and those seeking a genuine opportunity to rebuild. However, participation is extended only to those willing to act responsibly and in alignment with the movement's principles.

Continue--->

Continue--->

6. Grounds for Restriction or Removal

Participation may be restricted, suspended, or terminated for conduct including, but not limited to:

- Fraud or intentional misrepresentation.
- Abuse, harassment, intimidation, or threats.
- Repeated violations of policies or agreements.
- Unsafe, unlawful, or disruptive conduct.
- Actions that materially damage trust or operational integrity.

7. Spirit of Restoration

Where practical and appropriate, coaching, corrective action, and structured re-entry opportunities may be considered. Our objective is restoration where possible, while protecting the broader community.

8. Relationship to the Mandate of EFIK

The 8th Cardinal Policy operationalizes the ethical principles of the Mandate of EFIK by translating those principles into practical participation standards.

9. Relationship to Spirhuaige Global AI

Spirhumaige Global AI may be used to assist with onboarding, workflow management, and policy administration. Final decisions remain subject to human oversight and applicable laws.

10. Foundational Declaration

- Everyone Can Participate.
- Not Everyone Will Qualify.
- Participation Is Granted PMC — Per Met Criteria.
