# GHOST TRAIN NO EXITS

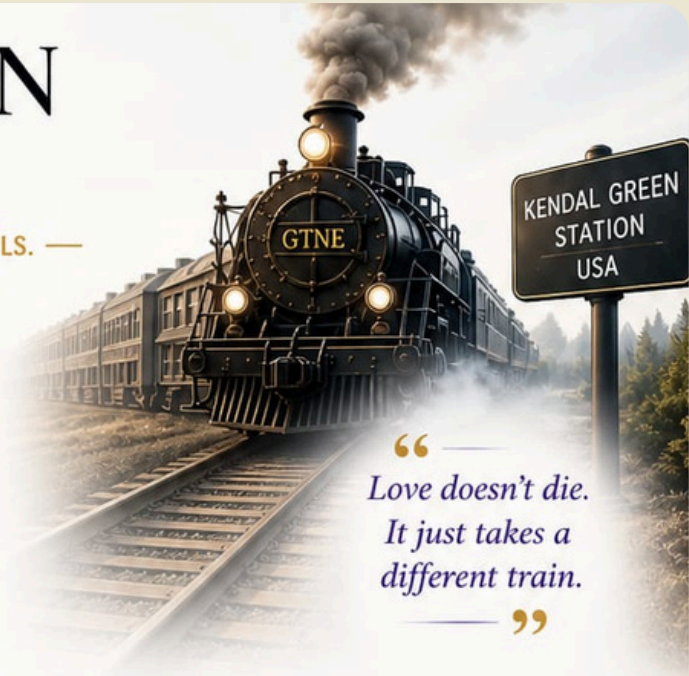

— A TEENAGE LOVE STORY... SLIPPING OFF THE RAILS. —

A fictional story (supernatural, paranormal and spiritual in a ghostly genre). This is a teenage love triangle, a love story and romance by spirits in love. It is a drama and a mild horror story. The main character has found herself as a ghost.

**This is book 1, volume 1.** It is an introduction to the main characters, to inspire the CK KUYA Writers Club.

GHOST TRAIN NO EXITS—  
a teenage love triangle  
slipping off the rails!

“  
*Love doesn't die.  
It just takes a  
different train.*

## MICHAEL A. BLACKHALL

AUTHOR • FOUNDER • PRESIDENT  
CK KUYA | GTNE

 Michael A. Blackhall, a Canadian and proud son of Jamaica, brings a unique voice shaped by culture, creativity, and lived experience.

Through **Ghost Train No Exits**, he introduces a journey that extends beyond fiction—one that inspires emerging writers, storytellers, and creative minds to explore their own voice.

A JOURNEY  
BEYOND FICTION

In pursuit of that journey, Michael traveled over **1900+ KM** to **Kendal Green Station, USA**, where CK Kuya was last said to have been seen. What followed was not just research—but a turning point.

THE NEMESIS  
WOULDN'T LET ME

Along the way, he encountered what he describes as the Nemesis—not an enemy, but a force that refused to let him walk away. *He admits, he tried. More than once. But quitting never finalized.*

A VISION FOR  
CREATIVITY &  
COMMUNITY

Today, that persistence fuels a broader vision—one that connects storytelling with **opportunity, culture, and community**. From Caribbean roots to global reach, this journey continues to inspire creativity, preserve traditions, and open doors for new voices.

A MISSION DESIGNED FOR  
**EVERYONE-CAN!**

- ✓ Empower Communities

# CK KUYA'S GTNE NEMISIS

A TRUE JOURNEY.  
A POWERFUL MISSION.

In search of CK Kuya's body, I traveled over **1900+ KM** to the **Kendal Green Station USA** where she was last seen.  
Along the way, I found her **Nemisis** — a force that wouldn't let me quit.  
Well I did quit many times saying this job is way over my head.  
**But for the mission, the Nemisis wouldn't let me.**

 **A MISSION THAT BENEFITS EVERYONE-CAN!**  
Participation ✓ Purpose ✓ Prosperity ✓ Peace ✓  
Everyone. Everywhere. Every-Can.

**ABOUT THE MISSION**  
CK KUYA and Spirhumaige Global AI are building real opportunities that help more people participate and thrive.

For our official launch, we'll consider announcing what is a pre-JamA-CanA hosted as the Founder's Birth (BOOK-Launch) & Festival Fundraising Announcement (FBFF-A) in preparation for 2027 first annual JamA---CanA Fest-Competition. That's because we don't have time for collecting the funds and marketing required well ahead of the fest. Not possible! What's more, the vendors and competitors need time to think it through and decide then prepare their best approach. So they may need at least 2-years to prep. so in the mean while we'll host a birthday party and invite the jerks to cater the foods in prepping this as pre-fest opps.

If vendors stil need 2-years then we'll still have birthdays each year till they're ready.

This first time at the birthday event we'll hire some of the big names to cater the jerk foods at the birthday celebrations.
